

PreKindergarten Curriculum

Our preschool program gives students the opportunity to learn and play in a secure and loving environment which will help to foster their intellectual, social, emotional and physical development.

Our objectives are as follows:

- To develop firm social skills by learning to share and cooperate with others
- To stimulate curiosity, imagination and the thirst for knowledge and discovery
- To introduce children to the world of letters by teaching them to recognize a letter, its sound and as an object association
- To introduce children to the concept of numbers
- To introduce children to the world of shapes and colors
- To develop fine motor skills through writing, coloring, cutting, and gluing
- To develop gross motor skills through running, jumping, tossing balls, climbing, etc.
