EASY MONEY FOR THE BANFF SCHOOL

The Banff School takes part in several fundraising programs sponsored by major retailers, which you can be involved in without any additional cost or time to you. Every family at Banff either shops at the listed locations or purchases said products. Become a partner with Banff by participating in the easiest fundraising you will ever do.

Kroger – Parents will present the enclosed letter to the cashier upon checkout at Kroger. The cashier will scan the barcode with your Kroger *Plus Card*. Once a card is scanned with your Organizations barcode, it will activate for the remainder of the program year of May 1, 2008-April 30th, 2009. Each time you shop at Kroger using the enrolled Kroger Plus Card, Kroger will contribute a percentage of their eligible purchase to the Organization.

(Letters may be picked up in the office.)

Randall's – The next time you are at Randall's, link your Remarkable card to our number, #6095, and your purchases will be credited to our account. Randall's will pay us a percentage of the account total. Ask the checker to link your Remarkable card to this number. You only need to do it once.

When you buy participating products marked with the special School bus tag between August 6th, 2008 and September 9th, 2008, at Randall's or other Safeway stores our school can receive 10% of your purchase. Please keep your receipts if you purchased the participating products from this time (August 6th – September 9th) and give them to the school.

General Mills Box Tops for Education – We are once again participating in the yearlong "Box Tops for Education" program. This program involves clipping the Box Tops logo from participating products and sending them into school. Our school receives 10 cents for each Box top collected. The more we collect, the more cash we earn. If every child collects just 10 box tops per month, we will easily reach our goal of 16,000 Box Tops.

Campbell's Labels for Education – It's time to start saving Campbell's Labels again... We are continuing our participation in the program and hoping for greater success. Last year we collected 700 labels. This amount earned us enough points to order 2 Collector World and US wall maps. We hope to collect double that amount this year. We know with your support we can do it. Just remove the label from any Campbell's product and send it to school with your child.

Target Take Charge of Education - Take charge of Education, launched in April 1997, brings the Target tradition of giving to the heart of the community. Since the program was launched, Target has donated over \$139 million through fundraising dollars. To be a part of this program, Target Card or Target Visa cardholders should stop by Target's customer service and designate Banff to receive the donation. The school's ID is 25168.

Central Market's Foodie Program – Central Market is thrilled to have the opportunity to build a partnership with Banff through their *Fundraising Foodie* program. The attached card is only good for the Central Market located at 3815 Westheimer. Upon using your card at check out, Central Market will donate 5% of the total value purchased back to Banff.

All of Banff's computers have Internet filtering software that tracks and logs each student's actions while online. These logs are viewed daily by the Banff administration. Any unacceptable use of the Internet will result in the suspension of all computer privileges for the remainder of the school year. I understand that all of Banff's computers have Internet filtering software that tracks and logs my actions while online. These logs are viewed daily by the Banff administration. Any unacceptable use of the Internet will result in the suspension of all computer privileges for the remainder of the school year. I recognize that it is impossible for The Banff School to prevent access to all controversial materials and I will not hold The Banff School or its staff responsible for material found or acquired on the Internet. I further understand that any violation of the regulations in the Technology Acceptable Use policy is unethical and may constitute a criminal offense. Should I commit any violation, my access privileges will be revoked and appropriate school discipline and/or legal action may be taken.
